

### Children in Service Policy

All of our children are important to us and we want to do all we can to ensure Sunday mornings are a meaningful experience for all ages. Children who are not comfortable attending the nursery or religious education classes are welcome to remain with their families during the worship service. If your child becomes restless during the sermon, please feel free to step into the church office to continue listening, then return to the sanctuary either when the sermon is complete or when your child's restlessness has been sufficiently resolved.
